# **AUCTION** **LAW in** **MICHIGAN**

**September 23**

**1:30 pm to 3:30 p.m.**

660 Kenmoor Ave SE, 49546

This course provides an in-depth introduction to auction law: the rules, regulations and requirements, as well as how auctions relate to real estate sales. Taught by Bill Sheridan and Gwyn Besner, real estate professionals will gain an understanding of public vs. private auctions, different types of auctions, the law surrounding auctions, and how real property is sold through the auction process.
