

# SCHOOLHOUSE FUND QUESTIONNAIRE

Thank you for your interest in the GRAR Schoolhouse Program!  
Tell us a little about your school and how we can help!

Name of School District, School  
Building & Address

---

---

---

---

Contact person name, role  
(principal, secretary, teacher,  
etc.) and email address:

---

---

---

The primary goal of the Schoolhouse Program is to help offset needs not covered by your district or school budget. The next few questions will help us understand what your specific needs might look like and determine if your school can benefit from the program! For example, is there a need for warm winter clothes or other clothing related needs at your school? Does your school currently have an unpaid student lunch debt balance? Are there specific supplies that your school is unable to provide that would help create a better education for your students if it were made available? Please indicate what is needed and estimate to the best of your ability and round to the nearest \$50.
